## HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering the proper height division
8 Inches	4 inches	For dogs 11" and under at the withers
12 Inches	8 inches	For dogs over 11" and up to 14" at the withers
16 Inches	12 inches	For dogs over 14" and up to 18" at the withers
20 Inches	16 inches	For dogs over 18" and up to 22" at the withers
24 Inches	20 inches	For dogs over 22" at the withers
24C Inches	n/a	Dogs who measure into the 8" through 20" regular jump height divisions may opt to enter the 24-choice height division at their owner's discretion. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

### MEASURING AND HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" height division. However if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

#### **NEW Simplified Jump Height Card Process**

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during the day of show check-in.

### DOGS ELIGIBLE TO ENTER

This trial is open to all dogs **over the age of fifteen (15) months** that are registered with the American Kennel Club, or that have obtained AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number or Approved Foundation Stock Service (FSS) Breeds.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/IPL) or and AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word 'dog' is used in these regulations it includes both sexes.

Dogs should be physically sound, Bitches in season, aggressive dogs, blind dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance shall not be eligible. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Dogs under four (4) months of age are prohibited at AKC Agility Trials.

### PRIZES & AWARDS

Rosettes or flat placement ribbons will be awarded to 1<sup>st</sup> – 4<sup>th</sup> places in each jump height in each class. Qualifying ribbons will be awarded to all dogs receiving a qualifying score. Dogs must qualify to receive placement ribbons. Any dog that finishes a title will receive a special rosette.

## MIXED HEIGHTS & CLASSES

### Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

### FEO & FIX N GO

#### Entering For Exhibition Only (FEO) (effective July 1, 2024)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is now allowed in all classes. Participation in FEO is non-qualifying. All classes (STD, JWW & T2B) except FAST are limited to 45 seconds, not the SCT.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
  - Toys must be non-audible
  - Toys may not leave the handler's hand
  - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

#### Fix and Go On (FNG)

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

### NOTICE TO EXHIBITORS

Pals and Paws Agility, the trial secretary, their agents, etc., assume no responsibility for any loss, damage, or injury sustained by exhibitors or their dogs or property, and further assume no responsibility for injury to children not under the control of their parents or guardians.

Owners or handlers entering dogs in a trial do so at their own risk and agree to assume responsibility for any damage caused by them, or by their dogs. They also agree to abide by the Rules of The American Kennel Club and the current edition of the AKC Agility Regulations.

The safety of the dogs is of primary importance. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all of the obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dog and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior, may, at the discretion of the Trial Committee, be asked to leave the show site. There will be no refund of entry fees if a person is asked to leave the trial site.

Dogs must be kept on leash except when in the ring or the designated warm-up area.

Pinch/prong collars, and electric collars (dummy or not) are prohibited on the trial grounds.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases and have appropriate vaccinations.

Single copies of the latest edition of "Rules for Agility Trials" and "Rules Applying to Registration and Dog Shows" may be obtained from the American Kennel Club.

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone or need help, please call 800. 656.HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

### MOVE UPS

For Friday, dogs may be moved up to a higher class at the written request of the owner, as a result of qualifying for an agility title, provided that the request is made to the Trial Secretary in writing (e-mail is accepted) no later than 5:00 PM on the Monday before the trial. Requests made after that time will NOT be accommodated.

**E-mail move-ups will not be official unless acknowledged by the Trial Secretary.** Dogs so moved up will be entered at the end of the running order. For Saturday and Sunday, requests for move ups must be made in writing to the Trial Secretary prior to the close of the previous days' events.

### AFTER CLOSING WAIT LIST

A wait list will be maintained for these trials once they have closed on January 17, 2025. The wait list will be active until Saturday January 25, 2025 6:00 PM. Any runs that are entered in these trials at closing and pulled before the wait list deadline will be replaced, if possible, by runs in order on the wait list, and the exhibitor will be reimbursed for the number of runs replaced. If a run is pulled, but cannot be replaced, the exhibitor will not receive a refund and the dog will be considered absent from the run. Entry fees for runs on the wait list that do not get into the trial by the wait list closing date, will be refunded in full.

### COURSE FAMILIARIZATION AND WARM UP

A walk-through period will be held prior to each class, following the judge's briefing. The walk-through is restricted to handlers entered in that class. A warm-up area, consisting of a regulation agility jump, shall be provided for all exhibitors

### OBSTACLES

All obstacles will meet the specifications for obstacles in the current Regulations of Agility Trials.

### VENDOR INFORMATION

**INSTRUCTIONS**

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners Program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

I certify that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of The American Kennel Club in effect at the time of this event, and any additional rules and regulations appearing in the premium list of this event and entry form and any decision made in accord with them. I (WE) AGREE THAT ANY CAUSE OF ACTION, CONTROVERSY OR CLAIM ARISING OUT OF OR RELATED TO THE ENTRY, EXHIBITION OR ATTENDANCE AT THE EVENT BETWEEN THE AKC AND THE EVENT-GIVING CLUB (UNLESS OTHERWISE STATED IN THIS PREMIUM LIST) AND MYSELF (OURSELVES) OR AS TO THE CONSTRUCTION, INTERPRETATION AND EFFECT OF THIS AGREEMENT SHALL BE SETTLED BY ARBITRATION PURSUANT TO THE APPLICABLE RULES OF THE AMERICAN ARBITRATION ASSOCIATION. HOWEVER, PRIOR TO ARBITRATION ALL APPLICABLE AKC BYLAWS, RULES, REGULATIONS AND PROCEDURES MUST FIRST BE FOLLOWED AS SET FORTH IN THE AKC CHARTER AND BYLAWS, RULES, REGULATIONS, PUBLISHED POLICIES AND GUIDELINES.

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners Program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
